あとがき

こんにちは、上田と申します。徳間書店さんからは1冊目です。初めまして！

私の最近？の傾向？が結構な割合で黒髪×白髪なのですが、このコミックスの作品はほぼ黒髪受けで気付いたときにびっくりしました。ここ2年くらいの黒髪受けがほとんで集まっている。。思い返してみると、「よし今回は黒髪を受けにしてみよう！」というスパンがすべてここに巡っていたのではと…。分散してないと意味ないやつじゃないですか!!

（そう気付いていちばん最近描いた表題作は白髪を受けにしました。）

そういう意味では結構私的に、いつも描かないもの描いてみようという1冊でした。うーんと唸っていたりもしたのですが、少しでも楽しんで頂けるものがあればうれしいです。

この度は手に取って頂き有難うございました！

またお会いできるように、少しずつでも精進していければと思っております。

2015．上田にく

一番昔の作品ですがキャラクター気に入ってます
格好は描きやすかった！
攻は好きだ
遠藤は受け気持ちで描いていましたが
恋するのかない…

Dame na Yatsu Hodo Kawaii
He is Cute As He is a No-good

You're there right~
Hey~ Arata~
Yes, yes. What is it, you're bothering the neighbors...
click
'sup
Oi, Arata
You're free right?
Eh
Can you take in him for a while? Just think of him like a big pet or something
A lot happened, see
This is my friend who's a freeloader
That was something that came out of the blue
Huh?

So it happened that I took in a freeloader.

I...
During my student days, I was often told that I was skilled, or that I could do anything
But if we talk about shortcomings,
It should be my inability to take action and my lack of ambitions
I safely graduated from college, but the opportunities in the outside world decreased dramatically
But with Nishimura's connections, I was able to get a job from home, and with me getting the minimal pay as status quo,
I do believe I am being lazy, but I think,
There's nobody to scold me anyway, so I think I'll just somehow continue like this, or stuff like that.
...So,

uh-huh
Erm...
My name is Narumi Yuuichi
Tell me your circumstances a freeloader,
And your name and all that, please
sigh
I can't talk with him
Tsubaki -chan? Is that his previous master? Owner?
What could it be...
Nishimura-kun dragged me along, and I arrived here...?
But then...
So, I had Tsubaki -chan let me freeload at her place,
Look here... In the first place, why are you freeloading...?
Ah, That is...
I... can't do anything, and I always get fired immediately from jobs...
shine
Is that something you should say with a smile?

This conversation is making my head hurt...
About how long did you stay as a freloader?
That's how it started
I tried changing jobs several times, but the result was the same... So then I got lost in the streets, and someone called out to me
Around 2-3 years...?
What is your name?
... Koganei Arata
So then,
Does this mean that Arata-kun will be my master?

I leave him to you!!
...
I can't look up at Nishimura's face...
So that means ooo
glance
I'll be in your care!
...Well ...
If I just have to let him stay at my place for a while,
I guess it's okay.
Haven't you already decided to stay even without my reply...
...I will try my best
—— And then the next morning

I was to affirm this man's "uselessness" for myself

How!?
I was thinking of making breakfast, but then a fire...
So.. Sor r.... ....
Eh...!? What!?
Did you do an experiment or something!?
What in the world!?
Mhm...
I'll clean up...
For now, get in the bath and wash the soot off...
I can't even get angry...
He's even exceeding the bounds of reason ...
.....
sob
sob
Vrrr
Uwa a-
plonk
slide
slip

You... Have you always been living your life like that?
Yeah...
made a big mess even in the bath
You did a good job surviving there...
I seriously think so too...
When I want to help out with something, I always end up having to stop
I figured so...
I'm amazed at how the people who took you in 'til now took care of you...
Everyone did their best working outside you know
And they also bought stuff for me...
I wanted to see their happy faces, so I wanted to do something by myself, I thought.

But everyone was saying, "Just you being there is fine", or "Then you can pay with your body"
vrr ~
.....
That's it, huh.... Freeloaders... Are like this, right...
That's why, I want to do something for Ara-ta-kun as thanks...
No it's okay, You don't have to do anything
Actually, don't do anything— It's okay if you just sit and idle around!
Eh... Is that really okay...? I won't be a burden?
c
It's okay, seri-ously
Other than that— do you have any wounds from that continous havoc this morning?
a brilliant change in topic
Ah... I think I burned my finger a bit
...I'll bring band-aids, so wait here

...You're kind, Arata -kun
Don't be reckless again
Pat !!!
I'm not one to say this, but looking at a person properly is one thing I intent to do
It's just normal

Narumi is a bit over-the-top, but I think he isn't really a bad guy

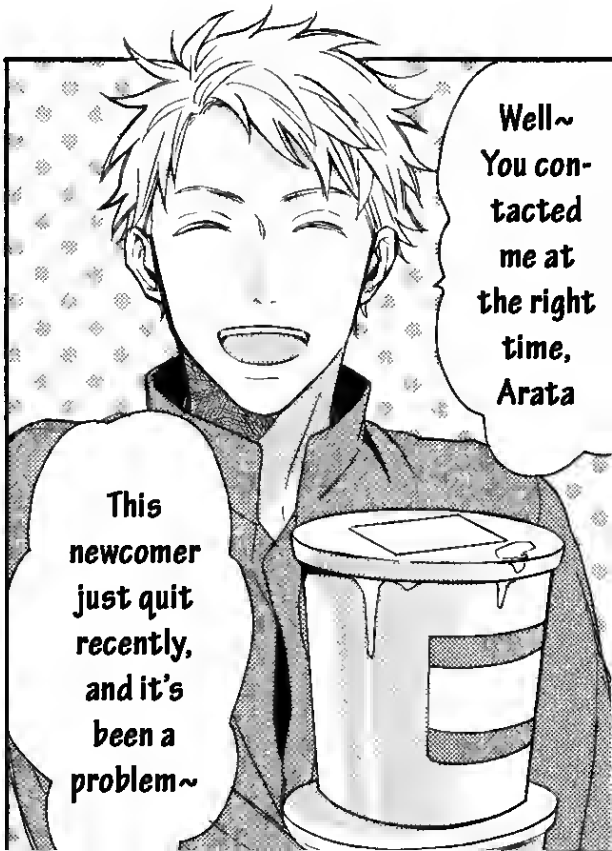
That's right
I was skilled at this
It's been a while, like this...
You don't have to praise me so exaggeratedly
Amazing, You're skilled at cooking, Arata-kun!
It smells good!
Looks good!

I feel just a bit accomplished
It's delish ~

With my current income, supporting two people will be tough
... Although

roll over
If I make Narumi wark, there's the danger af praperty damage that wauld be a drawback...
As I thaught, I guess I have ta laak far emplay-ment...
Hmm... Job hunting at this point, huh....
Hm... Come to think of it...
Nishimura
I'll ask him for advice
To begin with, the person who brought Narumi here was Nishimura, after all

It's nothing... But I didn't do an interview or anything, is that alright?
though I'm thankful
I said it's okay~
I can guarantee your skill
coo~



Well~ You contacted me at the right time, Arata
This newcomer just quit recently, and it's been a problem~

Is Narumi doing well?
He is, but...
Can you tell me about his "various circumstances"? I didn't understand his explanation at all
And then Narumi got shocked about it
But Tsubaki didn't seem to have any intentions of letting Narumi go
When it came to it, setting Tsubaki aside, it was pitiable to see the two guys,
So in a lucky break, I brought that guy out
As expected, huh? Did he mention Tsubaki?
That person's my friend..
Yeah, his previous owner, right?
Yep, yep. So, recently, Tsubaki made a boyfriend
But it's impossible for me to look after him, so I pushed him onto you
Hey
now, now

I thought you were well-suited to this
Somehow or another, you're good at taking care of people, Arata
If it's a guy, it won't be too bother-some, so you can rest easy, right?
That feeling of....
He's an idiot, but he's someone you can't hate
Please take care of him
Hmmm, Well.... I wonder ...
But you see....
...Well It's okay, but
I mean, isn't that Tsubaki person quite horrible?
Since meeting Narumi, she's been kind of working properly
And she looked like she was having fun doing it, too...
I... see....
somehow I have a subtle idea
Being relied upon
Or being needed

I'm home
I
Is the real reason for such motivation
It's a bit embarrassing, though
.....
.....
?
His reply...
welcome home
Ah
Arata-kun ♡
Ehh—!?

Yo... You... This idiot!!!
Don't you learn !?
don't "Arata -kun ♡" me!
Uwa ah— I'm sorry !!!
Right!?
I told you that you don't have to do anything!
Why are you here standing in the kitchen again?!
※ the kitchen, supposedly
I-I was thinking that Arata-kun did his best at work today,
and that you would come home tired...
So I tried...
to make dinner...
...I appreciate the thought, but I beg you, don't do anything...
This place is on lease...
I'm really sorry...
Nn...
Suddenly, in one moment,
I'm already unbelievably tired
Should I wipe off your sweat? Arata -kun...
No... wipe the floor instead...
it's basically flooded...

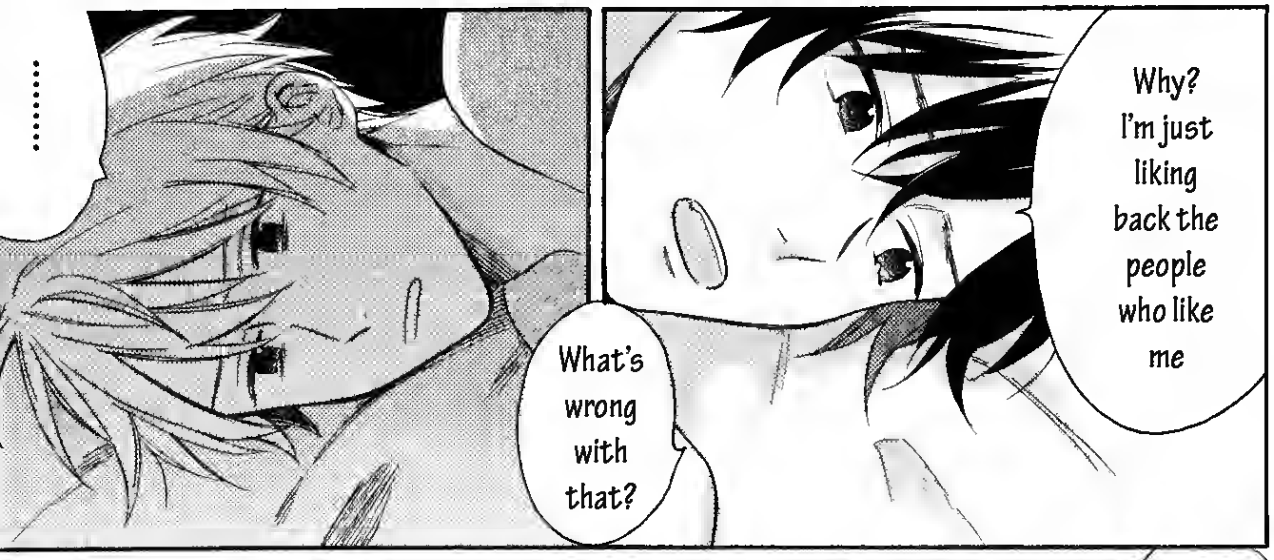
Something's off...
If I continue living with Narumi like this,
Wouldn't I be forcefully aging way faster than I should?
...Arata-kun, you awake?
..... What's up?
You must be tired because of me... Sorry
If you're aware, then don't try to anything again
Yeah... I want to make up to you for causing you trouble...
...Don't tell me it's something like paying me back with your body...
I'm just saying, but I'm not into that kind of stuff

creak
It's okay. Arata -kun, you can just go and sleep
By the way, have you tried using back there before?
Eh?
What?
Have you tried anal sex before?
NO WAY !!
I see. Then, I'll do it gently
No, no. You...
Don't worry, I'll definitely make you feel good
Someone,
Do something about this alien
exhausted
Are my words getting through?

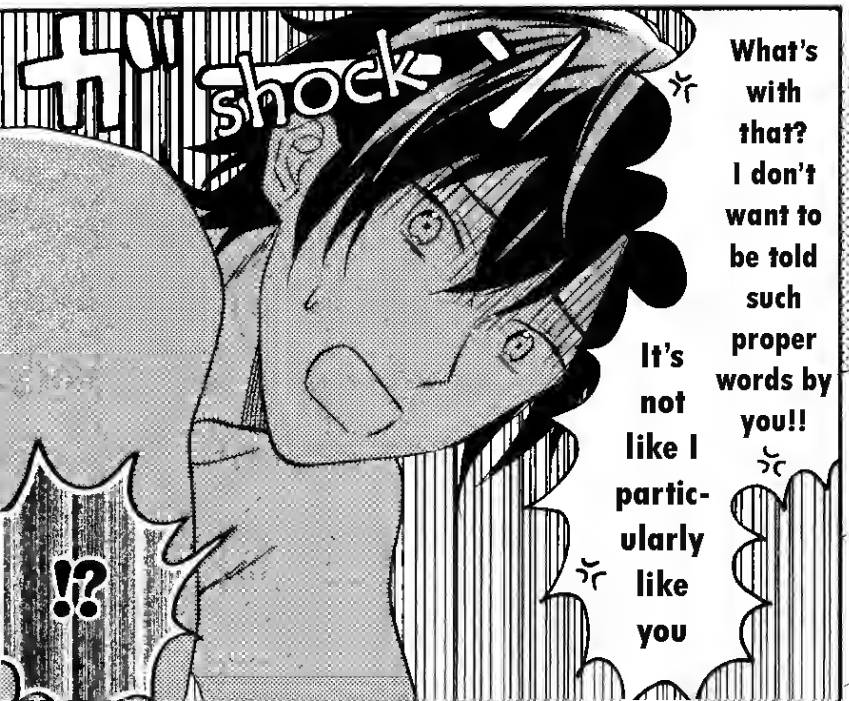
Saying that when we're so close like this... Honestly, that's foul play

Just wait a second
Stuff like that ...
don't rub them
Don't you know?
Even guys feel it here
!
This is so embarrass-ing I could die...
...Earlier, you told me you like me, didn't you?
Eh, yeah
The bed is cramped...
angry

You say that to every one of your owners up to now, don't you?
Ehh... Why would you say that...
Don't you?
I do, but...
I knew it! You shouldn't say stuff like that so easily



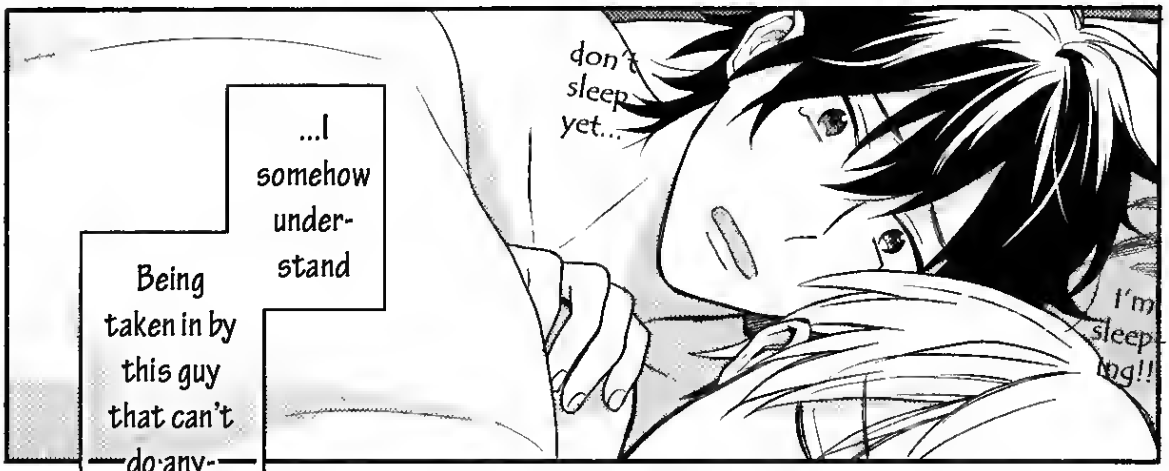
Why? I'm just liking back the people who like me
What's wrong with that?
.....



shock
What's with that? I don't want to be told such proper words by you!!
It's not like I particularly like you
!?

You make it sound like I like you
don't get ahead of yourself
Eh, am I wrong? Arata-kun, you give your body to someone you don't even like!?

N...no way...
What should I do...
Who cares
If Nishimura didn't ask me, then I wouldn't have let you stay. Earlier, too, I just wanted to sleep early!



It's like you get caught up in the feeling of him being helpless...

ding-dong
hurry up and eat
Yes?
I believe that Narumi Yuuichi is there
Eh... You are...?
I'm Yuuichi's owner
Tsubaki-chan...
Eh !?
Wai... Please wait a moment
bang up
Oi, this sounds like it'll become complicated, so go hide inside
Y-yeah

There's no such person here
Don't lie
Bring Yuuichi out
Yuuichi! I know you're there!
Eh!? Wai...
I'm coming in
Ugh... I should've hid them
His shoes are here
Don't talk back to me!
Tsubaki -chan... I can't do that, you have a boy-friend
I...
We're going home, quick

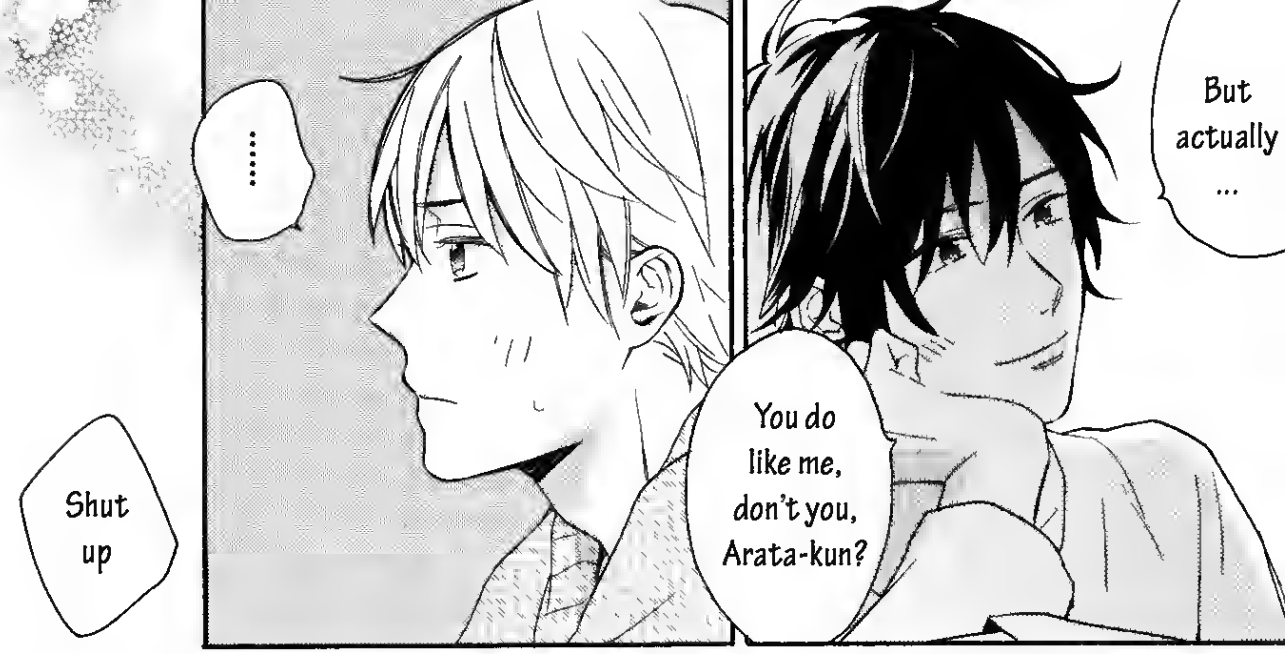
.....
Yuuichi, you also think I'm better than this guy, right!!
I already broke up with him! Do you have any other complaints now?
I knew that it's no good for me if it's not you!!
I wonder ...
Arata -kun...
If it's alright if I grab Narumi's hand now...?
Actually ...
Isn't it better for you if you stay with an owner that would need you?

...
Why
Are you looking at me with those eyes?
This is fine.
What a horrible face ...
Even though that woman chose you and went so far as to break up with her boyfriend ...
.....
... Even though it's fine...
From yesterday evening...
I haven't seen ...
Narumi's cheerful face...
It's my fault ...

I don't want to say goodbye like this ...
Narumi !!
A...
Come!
— Everything after that happened in a moment
Arata -kun !

I, who received Narumi's full-body tackle when he ran to me at full-speed,
collapsed there, after hitting the back of my head
Tsubaki's face that looked so put-off when she drew near was the last thing that I could remember.
ugh...
sob...
Blurry
Arata-kun died...
!?
label: antiseptic
Ah
Uwah
Arata-kun ...!!
What were you doing just now!?
Eh? I was trying to treat you...

Narumi, are you really okay if it's not that person?
Even though she said it's no good if it's not you...
...Where's that Tsubaki -chan person?
that... was close ...
She went home. 'If you don't like me any-more, then it's it's enough', she said.
Yeah. I prefer Arata -kun
You said you don't like me, but you called my name and I'm happy for it
!
That's all?
That's all!
You were making such a depressing face in front of that woman, so I was just pitying you!
It would've been lonely without me, huh



He's my boy-friend.
He's clumsy as hell, and is unreli-able,
but he's a bright and honest person.
(if he keeps silent)
I think that he has a fairly good-looking face,
and he's also quite tall
